

A LIGHT BLESSING

You are the light of the world.
Let your light shine!

Let light be in your relationships,
radiating forgiveness, understanding, and
love,
melting any anger and resentment,
inspiring acts of honesty, courage, and
compassion.

Let light be in your heart,
illuminating your God-given gifts and
strengths,
burning away fear and discouragement,
igniting your passion and resolve.

Let light be in your work,
reflecting your commitment to God,
sparking others toward growth, greatness,
and gratitude,
warming the world by the service offered.

You are the light of the world.
Let your light shine!
